1. (a) The Assignor shall remain liable under each of the Leases to perform all the obligations to be performed by it thereunder, all in accordance with and pursuant to the terms and provisions of the Leases, and the Agent shall have no obligation or liability under any Lease by reason of or arising out of this Assignment, nor shall the Agent be required or obligated in any manner to perform or fulfill any of the obligations of the Assignor under or pursuant to any of the Leases, or to make any payment, or to make any inquiry as to the nature or the amounts which may have been assigned to it or to which it may be entitled at any time or times.

(b) So long as no Event of Default (as such term is defined in the Loan Agreement) shall have occurred and is continuing, the Assignor shall be entitled to exercise its rights as lessor under the Leases (including, without limitation, the right to collect rents due thereunder), subject to the other terms and conditions hereof.

2. The obligations of the Assignor under the Leases may be performed by the Agent or its nominee, but only at the option of the Agent from and after the date of the occurrence of an Event of Default (as such term is defined in the Loan Agreement), without releasing the Assignor therefrom.

and without providing for or resulting in any assumption of liability thereunder.

3. The Assignor does hereby constitute the Agent, its successors and assigns, the Assignor's true and lawful attorney, irrevocably, with full power and power of substitution, in the name of the Assignor or otherwise (effective on the date hereof but to be exercised only following the occurrence and during the continuance of an Event of Default), to ask, require, demand, receive, compound and give acquittance for any and all moneys and claims for moneys due and to become due under or arising out of the Leases or any guarantees thereof or subleases permitted thereunder, to execute proofs of claim and loss, to adjust and compromise any claims under insurance policies or otherwise, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Agent may deem to be necessary or advisable in the premises. All acts done by the Agent under the foregoing authorization are hereby ratified and approved and neither the Agent nor any designee or agent thereof shall be liable for any acts of commission or omission (other than acts committed or omitted through gross negligence or willful misconduct), for any error of judgment or mistake of facts or law. This power of attorney being coupled with an interest is irrevocable while any of the Obligations shall remain unpaid.

4. The Assignor agrees that at any time and from time to time, upon the written request of the Agent and at the expense of the Assignor, the Assignor will promptly and duly execute and deliver any and all such further instruments and documents and take such further action as the Agent may reasonably deem desirable in obtaining the full benefits of this Assignment and of the rights and powers herein granted, including, without limitation:

(a) the filing or recording of this Assignment (or any amendment or supplement thereto), or a financing or continuation statement or statements with respect hereto or thereto in accordance with the laws of any applicable jurisdiction, and the Assignor hereby authorizes the Agent to effect any such filing or recording as aforesaid (including the filing of any such financing statements or amendments thereto without the signature of the Assignor), and the Agent's filing fees with respect thereto shall be payable by the Assignor on demand; and

(b) the taking of such further action as the Agent may deem desirable to protect fully the Agent's interests hereunder in accordance with the Interstate Commerce Act, the Uniform Commercial Code, the laws and regulations of the Interstate Commerce Commission or any other applicable law.

5. The Assignor at its sole cost and expense will appear and defend any suit, proceeding or action under any of the Leases or sublease permitted thereunder, for any installment of, or interest on, any rental or other sum owing thereunder, or to enforce any provisions of a Lease or sublease permitted thereunder, and the Assignor will save, indemnify and keep the Agent harmless from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim, recoupment or reduction of liability whatsoever of the Lessee, or sublessee thereunder or its successors, arising out of a breach by the Assignor of any obligation under any of the Leases or any sublease permitted thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of the Lessee or any such sublessee or its successors from the Assignor, and all such obligations of the Assignor shall be and remain enforceable against and only against the Assignor.

6. The Assignor hereby represents, warrants and covenants that:

(a) it is the sole owner of the Leases;

(b) the equipment which is the subject of each of the Leases and in which the Agent has been granted a security interest pursuant to the Loan Agreement (including, without limitation, the Equipment described on Annex A to Schedule I hereto) (all of the above-described equipment, the "Equipment") has been delivered to and accepted by the Lessee;

(c) there are no liens or encumbrances against any of the Leases or any subleases permitted thereunder or any guarantees thereof, nor shall there be any such liens or encumbrances at any time hereafter, except for liens on the Leases to the extent but only to the extent that the Leases are applicable to railroad equipment other than the Equipment;

(d) there have been no prepayments by the Lessees of any sums under any of the Leases;

(e) to the best of the Assignor's knowledge, no default exists under any of the Leases; and

(f) (i) The rights of the Assignor, as lessor, to the rents and other rights under each of the Leases, are good and valid claims enforceable according to their terms, free from any defenses, rights of offset, claims or counterclaims on the part of a Lessee thereunder and have not been pledged, sold, assigned or transferred to any person other than the Agent as contemplated by this Assignment;

(ii) The Assignor has duly performed and is duly performing its duties as lessor under each of the Leases and the Lessee is duly performing its duties under each of the Leases and there is no default or dispute thereunder to the best of the Assignor's knowledge;

(iii) Each of the Leases has been duly authorized, executed and delivered by the parties thereto, is in full force and effect and is enforceable in accordance with its terms; and

(iv) The Assignor has the right, power and authority to assign its right, title and interest in and to each of the Leases to the Agent.

7. The Assignor covenants and agrees that until payment, performance and satisfaction in full of the Obligations it will:

(a) Maintain or cause the Lessee under each Lease to maintain the Equipment in good repair, working order and condition, subject to normal wear and tear, and make all reasonable repairs, replacements, additions and improvements thereto.

(b) Duly perform all of its obligations under each of the Leases and do or cause to be done all things necessary to keep each of the Leases in full force and effect.

(c) Give notice in writing promptly to the Agent of (i) the occurrence of any event which constitutes, or which with notice or lapse of time or both, would constitute an Event of Default; and (ii) any material default under any of the Leases or any material claim or dispute with the Lessee under any of the Leases, and at the request of the Agent, promptly notify and turn over to the Agent a true and complete copy of each notice, request, consent or demand received pursuant to or in connection with any of the Leases.

(d) Execute and deliver such further or additional instruments and assurances, and take all such additional action as the Agent may reasonably require for the purpose of carrying out the provisions of this Assignment of Leases.

(e) At its sole cost and expense seek to cause the Lessees to comply with and observe all the terms and conditions of the Leases (and without limitation of the foregoing exercise at its sole cost and expense such remedies under the Leases as the Agent may from time to time reasonably direct), and not cancel, amend, modify or supplement any of the Leases or enter into any agreement to do so or deliver any notice of termination of any Lease or permit or accept the surrender or

termination of any Lease or waive, settle or compromise any claim against the Lessee under any Lease or extend any time for any payment by the Lessee under any Lease or consent to the creation or existence of any lien or security interest on the Lessee's leasehold under any Lease.

8. If there shall be a default under any Lease on the part of the Assignor, for any reason, the Agent may, at its option, without assuming any of the obligations of the Assignor under such Lease and without waiving or releasing the Assignor from any of the terms hereof or any of the Obligations, cure the default, and the cost of curing the same (and all necessary and incidental costs and expenses of the Agent in connection therewith, including, but not limited to, reasonable counsel fees), with interest at the highest rate payable on the Obligations from the time of the advance or advances therefor, shall be deemed an advance to Assignor and part of the Obligations, and shall be due and payable by the Assignor to the Agent upon demand.

9. Following the occurrence and during the continuance of an Event of Default, in addition to all other rights and remedies of the Agent pursuant to any agreements of the Assignor in favor of or assigned to and held by the Agent or pursuant to applicable law or otherwise, the Agent or its successor or designee shall have all rights and benefits under the Leases, including, without limitation, any and all rights to indemnification and guarantee, without modifying or discharging any of the Obligations. Upon the occurrence and during the continuance of any such event of default, the Assignor agrees to execute any and all documents requested by the Agent in its sole discretion to enable the Agent to exercise all of the rights of the Assignor under the Leases. The specified remedies to which the Agent may resort under the terms of this Assignment are cumulative and are not intended to be exclusive of any other remedies or means of redress to which the Agent may be lawfully entitled in case of any breach or threatened breach by the Assignor of any provision hereof or of any of the Obligations. Nothing contained in this Assignment and no act or action taken or done by the Agent pursuant to the powers and rights granted it hereunder or under any instrument collateral hereto shall be deemed to be a waiver by the Agent of any of its rights and remedies against the Assignor in connection with, or in respect of, any of the Obligations. The right of the Agent to collect and enforce collection of the Obligations and to enforce any security and collateral held by it may be exercised by the Agent either prior to, simultaneously with, or subsequent to any action taken by the Agent hereunder.

10. Following the occurrence and during the continuance of any Event of Default, any moneys or other proceeds

under or in connection with any of the Leases received by the Assignor shall not be commingled with any other property of the Assignor, but shall be segregated, held by the Assignor in trust for, and immediately delivered to, the Agent for application to the payment of the Obligations.

11. The Agent may take, or release, other security which it may hold for the payment of the Obligations, may release any party primarily or secondarily liable therefor, and may apply any other security held by it to the satisfaction, or partial satisfaction, of such Obligations, without prejudice to any of its rights under this Assignment.

12. The Assignor shall cause copies of all notices received in connection with any Lease and any guarantee thereof which are requested by the Agent to be promptly delivered to the Agent at 111 Westminster Street, Providence, Rhode Island, or at such other address as the Agent shall have designated in writing.

13. This Assignment shall be binding upon the Assignor and its successors, and shall inure to the benefit of the Agent, including its successors and assigns.

14. This Assignment shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and wholly performed in that state.
